

## Chronopost partners with SF Express to accelerate its growth in China

**Chronopost, French specialist in express delivery for parcels under 30 kilos and SF Express, Chinese logistics leader, announced the signing of a commercial agreement aimed at improving the quality of service and transit time from France to China. A partnership offering customers a qualitative logistics service at a competitive price.**

*« The Chinese market is now exploding, with the growth of e-commerce and increased international trade. Proposing an ever more efficient, competitive and disruptive offer by improving deadlines, coverage and rates was for us essential. Our objective today is to deliver the world in a different way and to initiate levers for our international customers to always meet and anticipate their expectations »* explains Christophe Cornilleau, International Director at Chronopost.

**This partnership allows us to offer French companies innovative services and an excellent customer experience.**
